### AUTOMOBILE'S WARNING

(By Mrs. J. B. Partin)

O! Motorist be careful  
And read up on the law,  
Or its long hand may reach you  
And knock you on the jaw;  
Danger signals is in your pathway  
Whose perils lay about,  
Mr. Shackell's court will get you,  
If you don't Watch out.

Resist all keen temptations,  
When a smooth street is before,  
To go at railroad speeding,  
And a record try to score;  
For at your pleasures bidding,  
You may meet a legal scout,  
Mr. Shackell's court is going to get you,  
If you don't Watch Out.

Hold your contempt—if you can do it,  
For the poor pedestrian,  
And remember when you see him,  
That he is a fellow man;  
Not an insect made for crushing,  
Though he travels all about,  
We hope Mr. Shackell will get you  
If you don't Watch Out.

The Scottish Rite Masons of Enfield, who have been conferring degrees on a number of candidates will continue the initiations at the Enfield lodge room Thursday morning at 11 o'clock. All candidates are expected to be present promptly at the appointed hour.

THE OUTFITTER

It Cost Just 20 Cents More  
To Produce the Big One than it did the Runt

THE BIG ONE WAS FED  
**AVALON FARMS HOG-TONE**  
—The Liquid Hog Conditioner, Fattener and Worm Remover—  
—THE RUNT WASN'T

THEY both started life at the same time and weight. They were given the same feed under the same conditions - with one exception. The big one got his regular dose of AVALON FARMS HOG-TONE—the Liquid Hog Tonic, Conditioner and Fattener—and the runt didn't.

The big one is the kind that tons markets and brings big profits to the pockets of the hog raiser. The runt cost more to raise than he will ever bring in the market. And the difference was brought about by 20 cents worth of AVALON FARMS HOG-TONE. HOG-TONE puts new life into hogs—makes them eat more and grow fat at an amazing rate. It helps them to combat disease and eliminate the worms that are the hog raiser's greatest foe to profits. Splendid for pregnant sows—helps to produce healthier, sturdier pigs. Come in the store—tell us the number of your herd—and we will give you enough HOG-TONE to treat all your hogs 60 days. You don't give us a penny now. If the results of the HOG-TONE treatment fail to satisfy you, it will cost you nothing.
